H.E Issa Murad
Chairman
Amman Chamber of Commerce

The Office of the Commercial Counsellor at the Embassy of the Republic of Turkey presents its compliments to the esteemed Chamber, and would like to inform the Chamber's reputable member companies that our office is arranging for trade and buyer missions for some exhibitions and trade fairs taking place in Turkey.

The Trade/Buyer Missions Program is created by the Ministry of Trade in Turkey to support and promote exhibitions in Turkey, as well as to facilitate commercial traffic by hosting company representatives to come to Turkey and visit these exhibitions. The program will enable representatives to benefit from a fully funded and arranged accommodation in a prestigious hotel, along with internal logistics upon arrival to Turkey. Moreover, the Ministry will arrange also for bilateral meetings with Turkish companies according to the visiting company's requirements stated on its registration application.

Attached herewith: please find the list of these exhibitions with their information and registration deadlines, where we kindly ask the Chamber for its assistance to circulate the information onto the related sector companies. For further information on the program, registration and application, the interested member(s) can reach our office on the contacts listed below.

Thanking you in advance for your cooperation and please accept our highest regard.
