Dear Partners,

WorldFood Uzbekistan is the country's largest food exhibition and a unique opportunity to present your products to a wide audience of professionals, find new partners and customers among representatives of retail chains and wholesale businesses.

Uzbekistan is one of the Central Asian countries having the most rapidly developing economy.

Every year, large-scale investment projects aimed at further development of economic, social, infrastructure, transport and communication networks are implemented in Uzbekistan, thereby creating new jobs and generating incomes. Implementation of the long-sighted development strategy has allowed our country, among one of the few countries in the world,

UPCOMING!

to ensure high GDP growth and industrial production rates.

The annual growth rate of food production in Uzbekistan is 10-15%

A program of measures was adopted to ensure structural reforms, modernization and diversification of the production for the period of 2015-2019, according to which the 4 main areas are envisaged: export supplies, establishment of 15 trade & logistic centers with the total capacity of 60 thousand tons and development of packaging sector.

Food and processing industry are the two sectors of Uzbekistan which have the greatest potential. Every year, WorldFood Uzbekistan exhibition becomes a demonstration platform to present the latest industry innovations.

World Food Uzbekistan includes the following sections:

- FOOD PRODUCTS
- FOOD INGREDIENTS, ADDITIVES, SPICES
- EQUIPMENT FOR FOOD INDUSTRY
 - HOREX PACKAGING
